

The 4th Annual Emerald's From The Sea ran on March 31st on Navarre Beach, Florida. Seas were 2-4 feet and conditions were fair and contestable. We were happy this year to partner with Sean Fell and the Waterboyz Spring Surf and Skim Jam, a pro-am event. They have posted their results at Waterboyz.com. [Christian Surfers](#) cooked free hamburgers and hotdogs all day for participants, family and friends.

They made sure nobody was hungry or thirsty know we had 80 girls registered in the clinics and surf competition.

Many came from far destinations such as Boca Raton of South Florida. I'm sure that a record was set for the number of surfers male and female to come to our area for a day of surfing competition. It made for a spectacular day which many enjoyed due to the wild surf and high caliber of surfing. We are grateful for all sponsors and to the community for the abundant support. Without many of the people who donated their time and services, this event would not muster. My gratefulness runs deep and is heartfelt.

Good Sportsmanship Award: *Breauna Williams*, age 9, of Navarre, Florida. Every year there is a special girl who steps up and becomes a role model for the other girls. We appreciate and admire Breauna for her noble act.
